Parent's Guide

Bathtime Boat

VTech understands that a child's needs and abilities change as they grow and with that in mind we develop our toys to teach and entertain at just the right level...

vtech Baby

Toys that will stimulate their interest in different textures, sounds and colours

I am...

...responding to colours, sounds and textures

...understanding cause and effect

...learning to touch, reach, grasp, sit-up, crawl and toddle

Birth-36 months

Pre-School

Interactive toys to develop their imagination and encourage language development

I want...

...to get ready for school by starting to learn the alphabet and counting

...my learning to be as fun, easy and exciting as can be

...to show my creativity with drawing and music so my whole brain develops

3-6 years

Electronic Learning Computers

Cool, aspirational and inspiring computers for curriculum related learning

I need...

...challenging activities that can keep pace with my growing mind

...intelligent technology that adapts to my level of learning

...National Curriculum based content to support what I'm learning at school

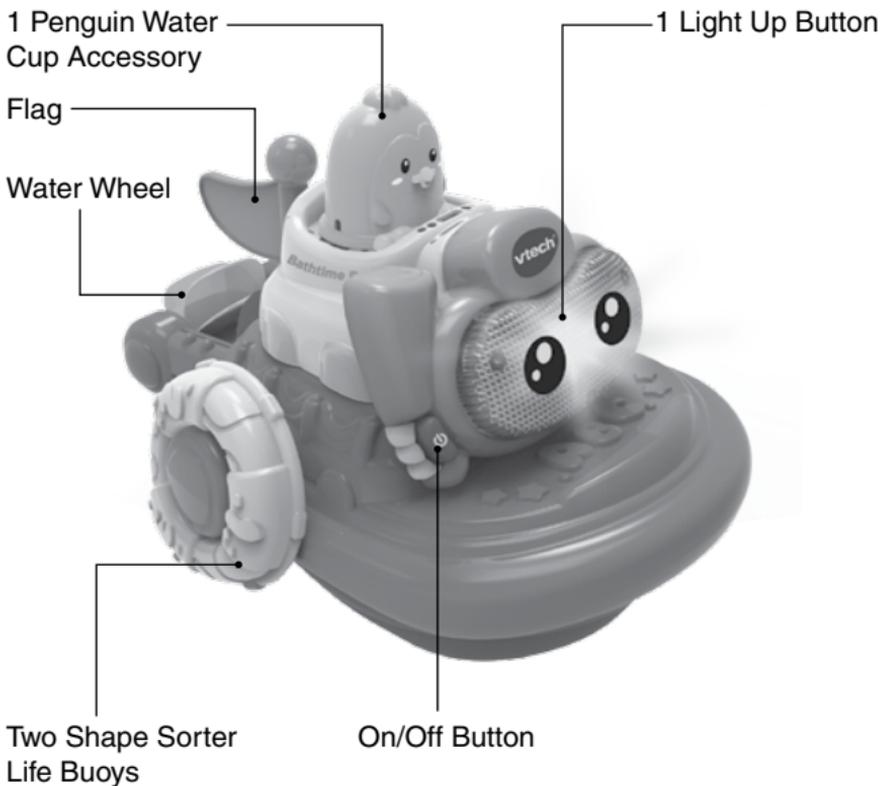

4-10 years

INTRODUCTION

Press the light up button on this friendly **Bathtime Boat** by VTech® to learn about shapes, weather concepts and to hear cute interactive phrases! The **Bathtime Boat** includes life buoys for shape sorting and a water wheel & scoop for fun water play!

INCLUDED IN THIS PACKAGE

- One VTech® Bathtime Boat

- One parent's guide

WARNING:

All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties and packaging screws are not part of this toy and should be discarded for your child's safety.

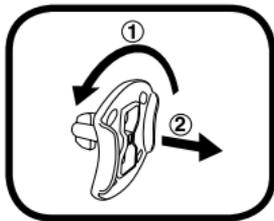

NOTE: Please keep this parent's guide as it contains important information.

WARNING: The rope bind is not part of this toy and should be discarded for your child's safety.

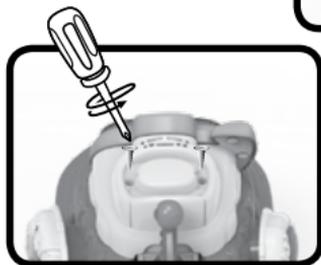

UNLOCK THE PACKAGING LOCKS

- 1 Turn the packaging lock anticlockwise several times.
- 2 Pull out and discard the packaging lock.

OPENING THE BATTERY DOOR

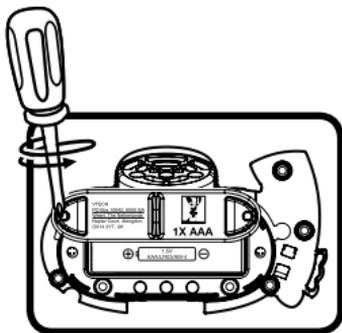

Remove the penguin from the top of the boat, open the penguin's base with a screwdriver. Take off the battery door and change the battery. Replace the battery door and tighten the screws to secure.

GETTING STARTED

BATTERY INSTALLATION

1. Make sure the unit is turned OFF.
2. Locate the battery cover on the back of the unit. Use a screwdriver to loosen the screw.
3. Install 1 new AAA (AM-4/LR03) battery following the diagram inside the battery box. (The use of a new alkaline battery is recommended for maximum performance).
4. Replace the battery cover and tighten the screw to secure.
5. When closing the battery cover ensure that the screws are securely tightened. This will avoid any water leakage.

BATTERY NOTICE

- Use new alkaline battery or fully charged NI-MH (Nickel Metal-hydride) rechargeable battery for best performance.
- Use only a battery of the same or equivalent type as recommended.
- Do not use a damaged battery.
- Insert battery with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove battery during long periods of non-use.
- Do not dispose of battery in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable battery from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

With the **VTech® Bathtime Boat**, safety comes first. To ensure your child's safety, please ensure the battery cover is securely locked into position to avoid injury.

WE DO NOT RECOMMEND THE USE OF RECHARGEABLE BATTERIES.

Disposal of battery and product

The crossed-out wheellie bin symbols on products and battery, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in Battery Directive (2006/66/EC).

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Help protect the environment by disposing of your product or battery responsibly.

PRODUCT FEATURES

1. ON/OFF BUTTON

To turn the unit **ON**, press the **ON/OFF BUTTON**. To turn the unit **OFF**, press the **ON/OFF BUTTON** again.

2. AUTOMATIC SHUT OFF

To preserve battery life, the **VTech® Bathtime Boat** will automatically shut off after approximately one minute without input. The unit can be turned on again by pressing the **Light Up Button**.

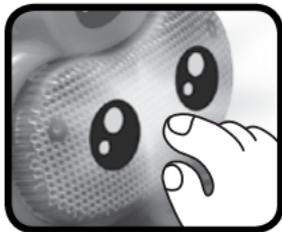

NOTE: If the **Light Up Button** repeatedly flashes two times and then the unit powers down quickly, we suggest changing the batteries.

ACTIVITIES

1. Press the **ON/OFF BUTTON** to turn the unit **ON**. You will hear a song and an encouraging phrase. The light will flash with the sounds.

2. Press the **Light Up Button** to hear fun phrases and songs. The light will flash along with the music.

3. If there is no input after approximately 15 seconds, encouraging phrases will be played. If there is still no input after another 30 seconds, the unit will play a short ending tune and will go into sleep mode. The unit can be re-activated by pressing the **Light Up Button**.

17. The Sailor's Hornpipe
18. Three Blind Mice
19. Sur Le Pont D'Avignon
20. Turkey in the Straw

SING-ALONG SONG LIST

SONG 1

It's time for a cruise, let's have some fun!
What a happy journey we will have.
Splash with your hands and splash with your feet,
Bathtime is so much fun!

SONG 2

It's a sunny day, splish and a splash,
Sail with me, time to play!

SONG 3

Bobbing along on the water, splashing merrily,
Splosh goes the water!
Let's enjoy bathtime happily!

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the battery when the unit will not be in use for an extended period of time.
4. Make sure you empty the water out of all the elements of the unit and rinse thoroughly before drying so no sediment or cleaning products are left on the unit.
5. Make sure to dry all the elements of the unit before storing.
6. Do not drop the unit on hard surfaces.

TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Please turn the unit OFF.
2. Interrupt the power supply by removing the battery.
3. Let the unit stand for a few minutes, then replace the battery.
4. Turn the unit ON. The unit should now be ready to play with again.
5. If the product still does not work, install a brand new battery.

If the problem persists, please contact our Consumer Services Department and a service representative will be happy to help you.

CONSUMER SERVICES

Creating and developing VTech products is accompanied by a responsibility that we at **VTech**[®] take very seriously.
