INTRODUCTION

Thank you for purchasing the **VTech® Sleepy Sloth Cot Light**. Soothe baby into a peaceful sleep with the **Sleepy Sloth Cot Light**. This adorable cot light toy projects a relaxing image onto the ceiling to calm your little one as they go to sleep. Choose between two modes to play calming melodies and lullabies or relaxing sounds.

INCLUDED IN THE PACKAGE

- One VTech® Sleepy Sloth Cot Light
- One Quick Start Guide
- One attachment strap

WARNING

All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties, cords and packaging screws are not part of this toy and should be discarded for your child's safety.

NOTE

Please save this Instruction Manual as it contains important information.

INSTRUCTIONS

Battery Removal and Installation

1. Make sure the unit is turned **OFF**.
2. Locate the battery cover on the back of the unit. Use a screwdriver to loosen the screw and then open the battery cover.
3. Remove old batteries by pulling up on one end of each battery.
4. Install 3 new AA (AM-3/LR6) batteries following the diagram inside the battery box. (For best performance, alkaline batteries or fully charged Ni-MH rechargeable batteries are recommended.)
5. Replace the battery cover and tighten the screw to secure.

WARNING:

Adult assembly required for battery installation.
Keep batteries out of reach of children.

IMPORTANT: BATTERY INFORMATION

- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not short-circuit the supply terminals.
- Remove batteries during long periods of non-use.
- Remove exhausted batteries from the toy.
- Dispose of batteries safely. Do not dispose of batteries in fire.

RECHARGEABLE BATTERIES:

- Remove rechargeable batteries from the toy before charging.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not charge non-rechargeable batteries.

Disposal of batteries and product

The crossed-out wheellie bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in the Batteries and Accumulators Regulation.

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Help protect the environment by disposing of your product or batteries responsibly.

VTech® cares for the planet.

Care for the environment and give your toy a second life by disposing of it at a small electricals collection point so all its materials can be recycled.

In the UK:

Visit www.recyclenow.com to see a list of collection points near you.

In Australia & New Zealand:

Check with your local council for kerbside collections.

NOTE:

With the **VTech® Sleepy Sloth Cot Light** comes first.

To ensure your child's safety, the assembly of this product is an adult activity, not a child's activity. Please ensure that the cot attachment strap is securely locked into position to avoid injury. Follow the instructions below carefully and make sure the final assembly is correct. Attach only to cots with sturdy rails and spindles. Do not attach to playpens with mesh walls.

Please make sure the cot attachment strap is out of reach of children when placed in the cot. Please ensure the cot light is positioned in the upright position with the projection light facing directly upwards.

Please remove the cot attachment strap from the unit when the unit is going to be used outside the cot. The cot attachment strap should not be given to your child.

ASSEMBLY INSTRUCTIONS

With the **VTech® Sleepy Sloth Cot Light**, safety comes first. To ensure your child's safety, adult assembly is required.

1. Place the unit in the cot bringing the strap over the top rail. Slip the top of the strap under the slot on the back of the strap and secure.

2. You can adjust the hanging height by choosing the appropriate hole on the strap.

3. Pull slightly on the unit to make sure the strap has been securely fastened. The unit should be snug against the cot rail. Please check the unit frequently to ensure it is still secure.

PRODUCT FEATURES

1. OFF/15mins/45mins Switch

To turn the unit On, slide the OFF/15mins/45mins to the 15mins (**15**) or 45mins (**45**) position. To turn the unit Off, slide the OFF/15mins/45mins switch to the Off (**OFF**) position.

2. Volume Controls

To adjust the volume, press the **Low Volume button** (**-**) or the High Volume button (**+**).

3. Light Control Button

Press the **Light Control Button** to choose between the night light and the light projection.

4. Sound Sensor

The **VTech® Sleepy Sloth Cot Light** is equipped with a special **Sound Sensor**. Once the set time is up, the unit will automatically shut off. The sensor will reactivate the program when it detects baby's cry for approximately 2 seconds without interruption. The unit will reactivate and play lullabies or nature sounds.

5. Automatic Shut Off

To preserve battery life, the **Sleepy Sloth Cot Light** will automatically shut off after the timer has expired. The unit can be reactivated by pressing any button, or when baby cries.

NOTE:

If the unit powers down while playing, we suggest changing the batteries.

ACTIVITIES

1. Lullaby Mode Button

Press the **Lullaby Mode Button** to hear sing-along songs, phrases and soothing melodies. The projector will light up and the night light will glow.

2. Nature Sounds Mode Button

Press the **Nature Sounds Mode Button** to hear soothing sounds. The projector will light up and the night light will glow.

SONG LYRICS

Song 1

Oh, don't you want to go to sleep
Go to sleep, go to sleep
Oh, don't you want to go to sleep
And wake up feeling fresh.

Song 2

Rock-a-bye baby, now go to sleep
Let's play sweet music and count some sheep
Tomorrow will be a braaaaand new day
And up will be baby ready to play

Song 3

Go to sleep, go to sleep, go to sleep my sweet baby!

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries if the unit will not be in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the program/activity stops working or malfunctions, please follow these steps:

1. Please turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **ON**. The unit should now be ready to play with again.
5. If the product still does not work, install a brand new set of batteries.

If the problem persists, please contact our Consumer Services Department and a service representative will be happy to help you

CONSUMER SERVICES

Creating and developing **VTech®** products is accompanied by a responsibility that we at **VTech®** take very seriously.
